

“  
We'll  
**chart**  
a course for your  
**Marketing, Branding & Training.**”

It doesn't seem to matter whether you are a small business, large business, non-profit organization or government agency, you can all relate to a feeling of frustration when it comes to your Marketing and Communications.

At **WOW** Communications Corp. taking the frustration out of your Marketing & Communications is exactly what we specialize in. We offer three core areas for effective communications:

### ► **Marketing:**

- *Full-Service Agency Services*
- *Marketing Consultation*
- *Learn while you drive Audio CDs (5) on Marketing*
- *Public Relations & Market Research Services*

### ► **Branding:**

- *Corporate identity packages*
- *Theme Development*
- *Graphic Design & Website Design & Development*
- *Advertising*

### ► **Performance-based Training:**

- *Entrepreneurial Workshops*
- *Corporate Training & Coaching*
- *Tourism Training*
- *Conference & Keynote*

National Member of the Canadian Association of Professional Speakers

Detailed description of these core areas  
can be found on our website at  
[www.wowcommunications.ca](http://www.wowcommunications.ca)
